

# SALINE DISTRICT LIBRARY WOODLAND TRAIL

Trails are maintained by the Library, Eagle Scouts, and community groups.

Take the time to find and observe:

Mammals

Mushrooms & Fungi

Birds

Wildflowers

Poison Ivy

**But watch out!**

The library woods are for our community to experience and enjoy. Please follow the well-known saying: "Take only pictures. Kill only time. Leave only footprints" to insure the woods will be around for future generations.

In the interest of everyone's enjoyment and safety, no motorized vehicles are allowed on trails.
